BOOST - to lift, to raise, bring addition, to advance, breakthrough, expansion, bring improvement, to step up, to upgrade

BOOST is the name of NLI Kids development into Europe. Our aim is to come alongside and BOOST Kid's Ministry in each nation we work with, on both a local and national scale.

BOOST Tour 2010 is an outreach event into Europe during the summer holidays (August). 1 nation, 2 weeks, many towns and cities, thousands of people touched. This event will be huge and have a lasting impact for the communities and churches visited. It exists to come alongside the local church and give them a BOOST in reaching their community. Various packages are available, with the proceeds assisting the establishment and advancement of Kid's ministries in Europe.
